

## **January 18, 2023 - New Board Member**

The Board Development is recommending Max Hine, from J.P. Morgan Chase, for Hearth BOD membership.

Max was part of a Pittsburgh Foundation cohort of young philanthropists who chose HEARTH as a \$10,000 grant recipient. Following his research about HEARTH and talking with current leadership, he is very interested in getting more involved with HEARTH.

**Approval for his nomination is included in the January 2023 consent agenda.**
