THANK YOU TO EVERYONE WHO HELPED MAKE TODAY A SUCCESS!!!

Welcome to our 26th annual Tees & Traps: Targeting Homelessness for HEARTH Outing presented by Costa Contracting, Inc. The day will begin with two fun-filled events, a golf outing and trap shooting game. After both events conclude, all participants will come together with HEARTH staff, board members, and families for a reception dinner.

VISION

Every family and individual lives in safe affordable housing.

MISSION

To provide a range of supportive services and housing that empowers homeless families, who are survivors of domestic violence or other trauma, to become independent, self-sufficient, and adequately housed; and to foster housing opportunities to prevent homelessness and encourage safe, affordable housing.

HEARTH is a transitional housing program, to serve and empower homeless families with dependent children, who are in need of transitional housing as a result of domestic violence or trauma and who are committed to work toward self-sufficiency. Since opening in 1995, we have served 1,002 individuals including 346 women and 656 children.

HEARTH provides a safe, stable home so our supportive services can be more effective in moving families toward self-sufficiency. By requiring program participants to go to school, attend life skills training, and work through individual issues during case management sessions, they are not only changing their future, but their children's future and future generations. Once they leave our program, they will earn a decent wage and understand what it takes to maintain employment. If they again hit a bump in the road, they will have skills and a variety of resources in their back pockets and not end up homeless again.
