## **Vision**

Every family and individual lives in safe affordable housing.

## **Mission**

To provide a range of supportive services and housing that empowers homeless families, who are survivors of domestic violence or other trauma, to become independent, self-sufficient, and adequately housed; and to foster housing opportunities to prevent homelessness and encourage safe, affordable housing.

HEARTH is a transitional housing program, which serves homeless families, who are in need of transitional housing as a result of domestic violence or trauma and who are committed to work toward self-sufficiency. Since opening in 1995, we have served over 1,100 individuals.

HEARTH provides a safe, stable environment for our families so that our supportive services can be more effective in moving families toward self-sufficiency. By requiring our residents to attend school, workforce training, life skills training, and work towards achieving wholeness, they are not only changing their future, but this will impact their families for generations.

HEARTH is grateful for all our supporters! Thank you for committing to our mission. We know everyone's lives are chaotic now more than ever and we thank you for your willingness to support HEARTH's mission. Together we are working to change the lives of families in our own backyard and making a positive impact for future generations.
